As a common stockholder of the Company, Norman hereby demands, pursuant to Section 220 of the General Corporation Law of the State of Delaware and the common law of the State of Delaware, the right to inspect, no later than November 2, 2004, the following documents and records of the Company and to make copies or abstracts therefrom:

(a) A complete record or list of the Company's stockholders, certified by the Company or its transfer agent, showing the names and addresses of each stockholder and the number of shares of stock registered in the name of each such stockholder;

(b) All daily transfer sheets showing changes in the names, addresses and number of shares of the Company's stockholders which are in or come into the possession of the company or its transfer agent, or which can reasonably be obtained from brokers, dealers, banks, clearing agencies or voting trustees or their nominees, from January 1997 to the present;

(c) Any documents relating to the sale or disposition of any assets or stock of the Company from January 1997 to the present and the distribution or use of any proceeds of any such sales or disposition;

(d) All information in the possession or control of the Company or which may be reasonably obtained by the Company concerning any and all bids or offers to purchase or acquire (whether or not accepted) licenses or any other property of the Company, including but not limited to any bids, offers, expressions of interest in connection with wide area auctions or other auctions conducted or sponsored by the Federal Communication Commission or any other governmental, private or quasi-governmental entity from January 1997 to the present;

(e) All information in the possession or control of the Company or which may be reasonably obtained by the Company concerning any and all reports or recommendations of financial advisors that the Company relied upon to approve the sale or disposition of any assets or stock of US MobilComm from January 1997 to the present;

(f) All information in the possession or control of the Company or which may be reasonably obtained by the Company concerning any and all loans, borrowings or other financings made on behalf of or for the benefit of the Company from January 1997 to the present;

(g) Copies of any and all minutes from the Company's board of directors meetings, committee meetings or special committee meetings held from January 1997 to the present;

(h) Copies of all balance sheets, ledger accounts and/or statements of operation for the Company from January 1997 to the present;

(i) Copies of any and all correspondence to or from David W. Elkin or the Elkin Group in the care, custody or control of the Company; and

(j) The information and records specified in the foregoing paragraphs as of any record date for stockholder action set by the Company's board of directors, by operation of law or otherwise, and should include all depository omnibus proxies and respondent bank proxies as of such record dates.

Norman further demands that modifications, additions or deletions to any and all information referred to in paragraphs (a) through (i) above be immediately furnished to Norman as such modifications, additions, or deletions become available to the Company or its agents or representatives.

Norman will bear the reasonable costs incurred by the Company in connection with the production of the above information.

The purpose of this demand is to enable Norman to determine whether the Company acted properly in disposing of assets of the Company, whether the Company acted properly in distributing proceeds from sale transactions and otherwise to assess the propriety of management decisions.

Norman has designated Cozen O'Connor, and any other person designated by Norman and Cozen O'Connor, acting together, singly or in any combination, to conduct, as its agents, the inspection and copying requested herein.
